OBJECTIVE

Creative and detail-oriented UI/UX Designer with experience designing intuitive, user-centered digital products. Skilled in translating complex requirements into elegant interfaces, improving usability, and enhancing user engagement. Passionate about design systems, accessibility, and data-driven design decisions.

ABOUT ME

I am a passionate **UI/UX Designer with 2 years** of hands-on experience in designing intuitive, user-friendly digital experiences. I enjoy solving complex problems through thoughtful design, user research, and clean visual interfaces. I believe great design is not just how it looks, but how it works for the user.

EDUCATION

Bachelor of Technology (ECE)

2021 - 2024

JNTUACEK | CGPA: 7.8 / 10 - Andhra Pradesh

WORK EXPERIENCE

UI Designer

Aug 2024 - Present

EndPoint IT Global Pvt. Ltd. | Hyderabad

- Designed **UI/UX for eClinical platforms** including EDC, eSource, eCOA, RTSM, and eTMF
- Simplified complex clinical workflows into intuitive dashboards and user flows
- Created wireframes, high-fidelity **mockups**, and **prototypes** using **Figma**
- Collaborated with cross-functional teams to meet business and regulatory needs
- Built responsive interfaces using **HTML, CSS, JavaScript, Angular, and Bootstrap**
- Applied usability, accessibility, and design consistency standards
- Used AI tools to accelerate mockups and design iterations
- Designed **patient-friendly eCOA interfaces** with a focus on clarity and ease of use
